Subject: Steering Committee for UC Sant Cruz Temperature criteria for Central Valley salmonids contract Draft Report

Good morning

I know I asked you on Tuesday to let me know if you cannot continue to participate in the committee. But, could you please confirm that you can continue? Then, I will know if I need to start looking for additional members; if I do, I will be back to the group for suggestions.

Kelly – I saw your email – thank you for agreeing to continue. I also got an automatic reply from Melanie Okoro that she is no longer with NOAA, and one reply that Valentina Cabrera-Stagno is out on leave.

Thanks,
walt
